Last Thursday Empire Vale Students made a big splash at Sea World as they explored the many wondrous sights and sounds of the marine park. Our students were treated to a wide range of amazing educational experiences such as enjoying educational talks at Shark Cove, getting animal training tips from seal and dolphin trainers, exploring touch tanks and riding the heart racing rides! Everyone had a wonderful day.

Empire Vale Public School would like to thank The Northern Star, Sea World and Mazzers Coaches for helping make this wonderful excursion possible!
I really loved all the swimming we did.
