Re: - Music Tuition for 2015

Dear Student and Parents,

Greetings! My name is Michael Ward. I am a qualified music teacher with both teaching and performance experience which enables me to offer instrumental tuition across a range of instruments. Lessons are available for guitar, keyboard & voice. Please ask about other instruments if interested, e.g. bass guitar and ukulele.

Normally these instruments are offered from Years 3 & up, however, exceptions are considered. All students enrolled in either individual lessons or shared lessons will join group activities from time to time.

Piano/Keyboard lessons are offered for students in Kindergarten & Years 1 & 2. Usually a shared lesson, these classes are designed specifically for this age group and introduce students to basic musical concepts like rhythm and pitch through developmentally appropriate activities like playing musical games, moving, singing and of course, discovering the notes on the keyboard. As students are training their ear to hear and sing accurately, students can expect to do lots of singing! Piano/Keyboard lessons serve as a wonderful platform to continue on with learning the piano or to launch into learning an alternative instrument in the future.

Fees

Fees for 2015 are:
- Individual lesson $24 per half-hour
- Shared lesson (group of 2) $16 per half-hour

Note: Shared lessons are only available if enough students are available.
Fees are set per term (not per lesson) and are due by the 3rd lesson day of each term. Additional fees may include books, manuscripts, photocopies introduced during the term. Siblings receive a 20% discount. Please ring with any questions.
